SUMMARY

Solving problems is my passion. I am constantly learning to perfect my craft and producing work that I am proud of. I am currently looking for a full time position as a Front End Developer or UI/UX Developer. Please visit <https://github.com/Efren-Barragan>.

EXPERIENCE

BOOOM Industries LLC | Front End Developer | Contract | 06/2015 – Present

Designed, and developed their current responsive website focused on usability on all mobile platforms. Used Bootstrap for Responsive Web Design (RWD) and CSS media Queries. Help develop their E-Commerce. Used search Engine Optimization (SEO) techniques and Search Engine Strategies (SES). Applied W3C web standards to achieve the best cross-browser user experience. Responsible for checking cross browser compatibility and thus worked on different browsers such as Google Chrome, Mozilla Firefox, Safari and Internet Explorer.

Codify Academy | 03 / 2015 - 08 / 2015

This course taught me HTML 5, CSS3, Bootstrap 3, Javascript, jQuery, AJAX, and JSON. Projects that we worked on include prototyping from existing mock-up user interfaces, adding media queries to websites to make them responsive, and writing a Javascript program that prints the next 20 leap years. In addition, we have also made our own portfolio website using HTML5, CSS3, and Twitter Bootstrap.

Lowry & Associates, Inc. | Premium Auditor | 01 / 2013 - Present

Ensure that an insurance company's financial statistics are accurately gathered and recorded so that a fair rate structure is developed. Also involved in inspecting an insured company's payroll and tax records and even its premises and day to-day business operations. I have audited small businesses to large public corporations with annual revenues of up to \$8 Billion.

This position requires heavy team collaboration on a daily basis to understand the business operations of the client as well as the duties for each of their employees. Know and understand WCIRB, NCCI & ISO guidelines for classification of businesses and employees so as to meet quality standards set forth by clients.
